## **SUPERIOR GOLD ANNOUNCES C\$15 MILLION BOUGHT DEAL FINANCING**

**TORONTO, October 13, 2020 - Superior Gold Inc.** ("Superior Gold" or the "Company") (TSXV: SGI) is pleased to announce that it has entered into an agreement with PI Financial Corp. as lead underwriter ("Lead Underwriter") along with a syndicate of underwriters (the "Underwriters"), under which the Underwriters have agreed to buy on a "bought deal" basis 21,430,000 common shares (the "Common Shares") at a price of \$0.70 per Common Share for aggregate gross proceeds of \$15,001,000 (the "Offering"). The Company has granted the Underwriters an option, exercisable at the offering price for a period of 30 days following the closing of the Offering, to purchase up to an additional 15% of the Common Shares to cover over-allotments, if any. The Offering is expected to close on or about November 5, 2020 and is subject to Superior Gold receiving all necessary regulatory approvals, including the approval of the TSX Venture Exchange.

The net proceeds raised from the issuance of the Common Shares will be used to fund advancement of the Company's projects, buy back of a royalty associated with the operation and for working capital purposes.

The Common Shares will be offered by way of a short form prospectus offering, where qualified, to residents of all Provinces of Canada, excluding Quebec, by way of private placement in the United States, and such other jurisdictions as may be agreed to by the Company and the Lead Underwriter.

This news release does not constitute an offer to sell or a solicitation of an offer to sell any of securities in the United States. The securities have not been and will not be registered under the United States Securities Act of 1933, as amended or any state securities laws and may not be offered or sold within the United States or to U.S. Persons unless registered under the U.S. Securities Act and applicable state securities laws or an exemption from such registration is available.

## **Forward-Looking Information**

This news release contains "forward-looking information" within the meaning of applicable securities laws that is intended to be covered by the safe harbours created by those laws. "Forward-looking information" includes statements that use forward-looking terminology such as "may", "will", "expect", "anticipate", "believe", "continue", "potential" or the negative thereof or other variations thereof or comparable terminology. The forward-looking information contained herein includes, without limitation, information related to the timing and the completion of the Offering. Forward-looking information also includes information related to the Company's previously announced strategic review process, the potential outcome of such process and the intended maximization of shareholder value that the Company believes may result from such process. By identifying such information in this manner, the Company is alerting the reader that such information is subject to known and unknown risks, uncertainties and other factors that may cause the actual results, level of activity, performance or achievements of the Company to be materially different from those expressed or implied by such forward-looking information.

Forward-looking information is not a guarantee of future performance and is based upon a number of estimates and assumptions of management at the date the statements are made. Furthermore, such forward-looking information involves a variety of known and unknown risks, uncertainties and other factors which may cause the actual plans, intentions, activities, results, performance or achievements of the Company to be materially different from any future plans, intentions, activities, results, performance or achievements expressed or implied by such forward-looking information. Readers are encouraged to refer to the Annual Information Form of the Company to be filed in connection with the Offering for a discussion of other risks. In addition, the Company is exposed to outbreaks or threats of outbreaks of viruses, other infectious diseases or other similar health threats, including the novel coronavirus ("COVID-19") outbreak, which could have a material adverse effect on the Company by causing operational and supply chain delays and disruptions, labour shortages, shutdowns, the inability to sell gold, capital markets volatility or other unknown but potentially significant impacts. The Company cannot accurately predict what effects these conditions will have on the Plutonic Gold Operations or the financial results of the Company, including uncertainties relating to travel restrictions to the Plutonic Gold Operations or otherwise and business closures that have been or may be imposed by governments. If an outbreak or threat of an outbreak of a virus or other infectious disease or other public health emergency occurs, it could have a material adverse effect on the Company's business, financial condition and results of operations.

The Company cautions that there can be no assurance that forward-looking information will prove to be accurate, as actual results and future events could differ materially from those anticipated in such information. Accordingly, investors should not place undue reliance on forward-looking information as no assurance can be given that any of the events anticipated by the forward-looking information will transpire or occur, and if any of them do so, what benefits the Company will derive therefrom. Except as required by law, the Company does not assume any obligation to release publicly any revisions to forward-looking information contained in this news release to reflect events or circumstances after the date hereof.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the Exchange) accepts responsibility for the adequacy or accuracy of this release.
